SOLUTIONS

2025 CATALOGUE

A close-up photograph of a hand sprinkling salt over a dish of food. The hand is positioned in the upper right quadrant, with fingers slightly curled. The food below is a light-colored, possibly breaded or fried item, with a dark sauce or glaze. The background is dark and out of focus, with some blurred elements of the kitchen environment. The overall lighting is dramatic, highlighting the texture of the hand and the food.

## ***About Us***

Bravo Culinary Solutions is a **subsidiary company of IGSS** (Integrated Global Sustainable Sourcing), a **revolutionary concept** in the food supply chain.

At BCS, we specialise in **artisanal food production**, crafting each dish with care through handcrafted recipes that **emphasise quality and tradition**. We prioritise **premium ingredients**, ensuring that every creation captures rich flavours while maintaining traditional techniques. This commitment allows us to deliver **unique and authentic culinary experiences**, celebrating the artistry and craftsmanship behind each product.

# THE INTEGRATED BUSINESS UNITS

An unremarkable value

**SOURCING:**  
Source regenerative and traceable produces- Netherlands

**FARMING:**  
Second largest agroindustrial project in Italy. Italy/Hong Kong

**IMPORT & DISTRIBUTION:**  
Takes care of importing products to Hong Kong and distributing in the market through its own logistic system.

**PRODUCTION KITCHEN:**  
Self-designed, equipped and operated commercial kitchen facilities where we produce ready-to-serve items.

**SUSTAINABLE PACKAGING:**  
Tailor design sustainable packaging products to both self-consumption and clients.

**DISTRIBUTION:**  
A next generation cold-chain logistics solution to minimize wastage and energy costs . Joint Venture

## HOW IGSS INTEGRATE SYSTEM OPERATES

**CUSTOMER**

The true strength of IGSS lies in its remarkable level of vertical integration, where the company **sources, imports, produces and distributes products** through each of its subsidiaries, responding to the increasing demand of a **complete end-to-end solution** for hospitality, restaurants and airline clients.

IGSS's integrated business units are co-located in a single 24,000 sq ft facility, where offices, warehouses, production, and logistics operations are housed together, enabling constant communication and collaboration across the entire value chain under one roof - a significant strategic advantage for the company.
